In the event that a player cannot attend any tryout, a written notice must be sent to the Travel Director indicating the reason for the absence. If the Board of Directors finds the excuse acceptable, the player will be eligible for consideration by the appropriate Travel Team coach, provided the coach has seen the player practice or play during the current season. **All players that want to make a Peabody Travel Team must make at least one complete tryout injured or not, unless excused by the Board through the process referenced above.**

The player will have the option to accept or refuse the roster spot. ## **PLAYER COMMITMENT**

Because placing a player on a Travel Team roster, by definition, prevents another player from making that team, there is an expected commitment. The Board, therefore, has decided that every Travel Team player should meet an acceptable minimum requirement. That requirement is that each player must participate in one of the two scheduled practices each week and be available to play in every ECYSA game. Only compelling reasons will be considered acceptable excuses for not meeting this requirement. Compelling excuses will be defined as situations that are beyond the player's control, i.e. an important family obligation or responsibility. Obviously, a greater commitment than the stated minimum is encouraged and is in the best interest of the player and the team. Failure to meet this commitment requirement may result in the player losing his/her place on the team. A coach is expected to communicate his/her own requirements prior to the selection process. These requirements should be aligned with PYSA requirements and in every case cannot exceed PYSA requirements.

## **TRAVEL TEAM UNIFORMS**

To insure uniformity of the soccer association players, all Grade 4 thru Post Graduate teams will wear the PYSA approved uniform as their main uniform. This uniform is chosen by the Board.

## **TRAVEL TEAM POLICY CHANGES**

Any changes to this policy will require affirmation by the Board according to PYSA By-Laws.

## **RIGHT OF APPEAL (Player Selection)**

If player selection is accomplished within the guidelines stated in this policy, appeals should be unwarranted.

However, if a parent wishes to make an appeal, it must be done in writing to the Travel Director within three days of team selection stating the specific and objective reasons as to why their child should have been selected. The Travel Director will notify the President and an emergency Board meeting will be held to address the appeal.

The Board decision regarding the appeal will be final.

## **TRYOUT EVALUATIONS**

- (A) Evaluators will be provided to each age group/gender. The pool of evaluators will consist of current or past travel coaches, assistant coaches and college players. It is the responsibility of the Travel Director to ensure enough evaluators are on hand for each tryout session. It is mandatory; these evaluators will be asked to evaluate the other gender in the age groups, not the gender that they're currently involved with. The evaluators will not have a child or sibling in the group they will be evaluating. Minimum age for evaluators is 16 years. All coaches and

evaluators will be at the field 30 minutes before tryouts begin.

- (B)** Evaluation forms will be supplied by PYSA.
